OFFICE CHAIR

Goodtone

PREMIUM GENUINE  
LEATHER UPHOLSTERY

## Retro leather with oil wax frosted surface

### Material Characteristics

The surface is treated by semi-grinding process, which has a strong skin-friendly feeling and belongs to the whole green skin material. Without any coating, it adapts water-dyed with natural vegetation dyes after the skin is lightly polished. The surface presents a two-color effect, which greatly improves people's love degree.

### Daily Cleaning

Usually using pure cotton dry towel to slightly wipe it.  
For daily dust-cleaning task, you can use a feather duster to finish it.
